Education

University of Michigan-Dearborn

August 2023 – May 2027

BS in Software Engineering

- GPA: 4.0/4.0
- **Coursework:** CIS 150 & 200 - C++ Programming, Discrete Structure I & II, Data Structures and Algorithms for SE, Software Engineering Tools
- Fall, 2023 - Dean's List, Honor Roll
- Dean's Scholarship, CECS Sharpe Scholarship III, MI Achievement Scholarship

Skills

- Programming Languages: C, C++, Java
- Git, GitHub, Azure
- Visual Studio, Xcode
- Jenkins, Katalon Studio
- Microsoft Project Professional, Microsoft 365, Excel, PowerPoint
- Docker
- Eclipse Installer, Lucidchart
- Time/Data Management, Detail-Oriented, Problem-Solving, Team Collaboration, Adaptability

Projects

Monopoly Game Simulation

- Developed a digital Monopoly simulation using C++ and object-oriented programming, featuring dynamic gameplay, property trading, auctions, and AI strategies.

Stock Market Simulator

- Developed a stock market simulator in C++ that leverages core ADT functions, using linked structures and heap-based priority queues to manage buy/sell limit-order books and simulate trading activities.

Computer Order Management Systems

- Developed a Computer Order Management System using object-oriented programming, featuring automated order processing, real-time inventory tracking, and a streamlined user interface.

Interactive Games

- Developed interactive games featuring immersive gameplay, dynamic user interfaces, and robust object-oriented programming for engaging user experiences.

Experience

Customer Service & Retail

July 2020 – Present

- Managed transactions and responsibilities with precision, ensuring operational efficiency and accountability.
- Addressed and resolved customer inquiries and issues promptly, ensuring a positive experience in high-pressure environments.
- Consistently completed tasks under pressure during extended shifts, ensuring punctual start and end times.

Additional Information

- Member of Honor Society®, 2023; Member of SCLA, 2024
- Chemistry, Artificial Intelligence Club Member, 2023
- Peer Mentor Collective, 2024, UNICEF Volunteer
